The current economic conditions have caused many to look back and say, "If only I had saved more, if only I had planned better, if only I had not used those credit cards, if only I had spent less, if only I had ... Many are looking for solutions to help them survive this economy and you may be one of them. We at Elvaton Church want to help you embrace God's plan for your finances because it is God's plan for His children to not only survive but to thrive!
