

# OPERATION 10,000

Operation 10,000 is well under way and moving towards reaching our goal of touching 10,000 homes with the Good News of Jesus Christ. We have distributed about 3,000 flyers and we need your help to finish. We want to extend an invitation to as many as possible in our community to experience the love of God and the love of His church at Elvaton. We want every person in our community to know that we care about them.

Please come by the Operation 10,000 table in the foyer and pick up a package of door hangers (some assembly required). Be sure to put your name and the name of your neighborhood in the Operation 10,000 notebook. People in the same neighborhood will need to coordinate in order to prevent duplication. Remember to pray for each home.

**Once you have distributed all of your flyers, please return the distribution card so we can know when we reach our goal and have a CELEBRATION!**

He who goes out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with him.

Psalms 126:6
