

10,000 IN 2010

Operation 10,000 in 2010 is a strategy to touch 10,000 homes in our community with the Good News of Jesus Christ and to extend a warm invitation to the approximately 30,000 people in those homes. We want every person in our community to know that we care about them.

Our goal is to get a hundred people to put a hundred flyers on the doorknobs of a hundred homes in their neighborhood. We want you to also pray for each person in the homes where you hang the flyers.

We will have a table set up in the foyer each Sunday until we reach our goal. We need you to come by the table and pick up a door hanger package (some assembly required). Be sure to put your name and the name of your neighborhood on the list. People in the same neighborhood will need to coordinate in order to prevent duplication. Once you have distributed all of your flyers, please return the distribution card so we can know when we reach our goal and have a **CELEBRATION!**
